"EDDIE" SUGDEN, DEVERY WARDMAN, TRIES TO END LIFE

Central Park.

TAKES DOSE OF ACID.

Policeman Catches Him in Act and Summons Taxi for Trip to the Hospital.

Stock Exchange prices were again lieutenant who was the trusted "Man Edward Sugden, a cashiered police Only in the final minutes, when shorts Friday" of "Big Bill" Devery at the commenced to cover, did stocks display height of Devery's power and glory, any rallying power. Net losses ranged tried to kill himself with carbolic acid from I to 5 points, with every issue on on a beach in Central Park this after-

dication of the subsequent liquidation, wardman when Sergeant Cafferty, who when sharp concessions were recorded recognized him and saw him put the in a number of securities. Canadian bottle of poison to his lips and slumi Pacific started 4 points lower, Texas Oll down on the bench ran to him and points and proportionate drops in asked;

"What's the matter, Ed?" It was not until midday that the In his pockets they found two dollars

last week, was the leader of to-day's Cafferty, who saw Sugden enter the 5-8 the stock was pounded down street entrance on Fifth avenue and sit despondently on the bench, had heat-Flushed with victory in campaigns tated to approach him. Sugden looked against the Harrimans the bears behe did not want to be talked to. But Copper and the Hill issues were the re-sults of their attacks. when he saw his former associate drink the acid and fall he ran to him. He half About a million shares were tossed dragged, half carried his former asso-around during the crash to-day. clate to the avenue and there took possession of a taxicab and rushed him to Mount Sinni Hospital

LEFT NOTE REQUESTING MES SAGE TO A WOMAN.

There are milk stands in plenty at the park entrance, but either Cafferty-did not know or was too much excited to remember that milk is the first antidote to carboile acid poisoning. At the hospital Sugden was compelled to drink a quantity of milk and then the stomach pump was applied.

When his clothing was was removed a piece of paper was found in his pocket on which was written:

"Kindly notify Dora Ritter, College Point. Telephone 61 L Flushing." Sugden ercently had made his bome

at Reisenberger's Hotel, at First avenue and First street, College Point. When the number be had noted down was called on the telephone a very indifferent person answered the telephone and said:

"I am Dora Ritter's father. What right has anybody got to ask her about Eddie Sugden. He's a perfect gentleman. Tried to kill himself? Is that all. Well, it is an insult to me to ask me anything about it. He's all right, see Is that all he did?"

Then the telephone was hung up Sugden was made a detective sergeant sioner Michael C. Murphy. He became suddenly wealthy and appeared at Cornwail-on-the-Hudson as a well-to-do member of the rich summer colony, hav- charges had been made against ing a beautiful villa, many servants and

NEIGHBORS LEARN IDENTITY DE WHEN HE HAD QUARREL.

salary of \$2,000 a year.

The identity of Sugden became known sentative Floyd. to his neighbors when he had an open quarrel with his frist wife in 1991. Later French Aviator Misses Beach in he married a rich widow and announced that, like his former Chief, he had gone into the "real estate busi- ter," said Dr. Wiley, "is based on this

He had been fired from the Police Department because he had criticised umissioner Waldo and Capt. O'Brien of the Detective Bureau in a newspaper interview at a time when they were reorganizing the bureau.

After Sugden was well under way to recovery at Mount Sinai Hospital he said that he had recently last vast sums of money speculating in Long Island real estate and that he would rather

controversy, before the House Investi- for 191 miles to Sandusky, O. gating Committee to-day branded as board which recommended him for dis-

He told how Dr. F. L. Dunlap, associate chief of his bureau, and Solicitor inspection board, of which Wiley was l a member.

Dr. Wiley told of a meeting of that board, of which he was not notified, utility in long flights. but at which McCabe and Dunlap took important action. He said he found it useless to appeal to the Secretary of Agriculture and under the circum-

CHARGES WERE BASED.

He declared the charges regarding the Rusby contract were based on a letter at Devery's request by Police Commis- from Rusby never actually sent to him and an important part of which has never been made public by the personnel board. He said he did not know what tila, many servants and when he was called before the Depart-maintained establish- ment's personnel board, of whose rement. He at that time received a port his first intimation was the "invitation to resign."

"Did you enter into any contract with certain number of days?" asked Repre-

"I did not." Dr. Wiley said he had no correspondence with Dr. Rusby regarding salary.. "Any connection I have with this mat-

letter, which I never received and which never left Rusby's house." This letter is the crux of the present controversy. The original now in evidence shows that Rusby was asking for

\$2,000 a year for 100 days' work, with this qualifying clause: "if satisfactory to the department."

When the personnel board made its charges and based them on the Rusby of money speculating in Long Island real estate and that he would rather the dead than poor. Surgeon Levine of Mount Sinal where he was held a prisoner said that Susden would undoubtedly recover.

Edward Glemon, who, with Sugden, shared Devery's confidence was also dismissed from the department after Devery's downfall and though at the power of the Secretary.

"Took a very active part in all steps former friends and cronies for many months."

"From 1,500 to 2,000. On about one hundred cases where Dr. Dunlap agreed with me on the first vote and the solicite feet and a wall space of 10,000 feet at with me on the first vote and the solicite feet and a wall space of 10,000 feet and a wall spac charges and based them on the Rusby

Wiley said, replying to Chairman Moss.
"I began in 1833 an attempt at a scientific investigation of the adulteration of foods and took an active part in all foods and took an active part in all board's ruling.
"About 9.800 cases," he said, "have bridges and water terminals, together efforts to secure such a law."

that the Government was likely to respond to this action of the men with a proclamation of martial law on all rallways and replacing the strikers with the men from the Boyal engineers army service corps.

Passengers for Manchester were informed at the booking offices that the rallway companies were unable to guarantee them transportation further than Graws, which is about twenty-five miles southwest of Manchester.

The fighting at Liverpool last night which resulted in the death of two rioters who were shot by Hussars in defending five prison vans occupied by rici prisoners whom the mob attempted unsuccessfully to release has not tended thus far to improve the situation except as it has helped to keep the peaceably disposed outside the strike area. This enabled the police to more easily handle those who were causing trouble.

This was particularly noticeable this morning when the street were quiet, the rioters having retired for a much needed rest after the night's battle and also recombile to keep out of the way of

rioters having retired for a much needed rest after the night's battle and also probably to keep out of the way of the strong forces opposed to them dur-ing daylight. The police and soldiers, however, prepared for a renewal of hostilities when night fell.
